Alumni association held a meeting on 21st December 2019 at college auditorium at 1.30 PM under the chairmanship of Mr. Shankar Routh, the President of Alumni Association Golaghat Commerce College. At the beginning of the meeting Ms. Tulumoni Sarma Tamuly, asked that whether the college has been doing any extension activities for the development of the society? If the college has been doing it, then the Alumni Association should also join such activities. The Principal of the college Mr. Anup Kumar Das informed that the college has been doing such activities with the help of different wings like National Service Scheme (NSS), National Cadet Corps (NCC). Moreover, the college adopted one village as well to provide social services apart from regular academic activities. Mr. Manash Pratim Sarmah, the Programme Officer of National Service Scheme (NSS) has mentioned that the NSS Unit has been doing such activities very frequently and it would be a great support if the Alumni Association will also join hands to provide such services for the society. He further assured that the NSS Unit will inform and involve the Alumni Association in future activities of the Unit. In this respect Mr. Parthajit

Phukan mentioned that although the Government has been taking different steps to support economically weaker students, the Alumni Association can also select such students to assist them financially. The President of the Alumni Association requested the college authority to take a necessary step regarding these aspects and he also assured the full support of the Alumni Association. The Principal of the college thanked the Association for their interest in such noble deeds. The President has stated that regarding the meeting to include the recently passed-out students to the main committee of the Alumni Association, the association is working in this respect and they have collected necessary data from the college. And within a short time, the Association will conduct a meeting.

The meeting took the following resolution:

1. The Alumni Association will take part in different extension activities of the college.
2. The Association will select some financially weaker students and will be providing financial assistance for academic progress.
